THE SPOTLIGHT

What a fantastic start to the New Year! Our worship was excellent last week, and the new song we're learning on Sunday nights really helped us focus on Jesus. We celebrated **Josh, Emilie, and baby R. C.** with a fun baby shower Sunday afternoon. The elders discussed our plans for this year, including some new local ministries and mission work. It will take an increase in our giving to accomplish everything, but we already exceeded the new amount on the first Sunday!

Our youth group is away this weekend at Evangelism University in Tennessee. It's a great program that teaches junior high and high school kids how to share their faith. Our own **Emilie Terry** serves on the board of directors, too!

If you want to grow your faith in 2024, you already know that the first requirement is time in God's Word. There's no way around that. If you already know Jesus as your Savior, then the pages of Scripture will help you deepen that knowledge. But can I tell you the secret life hack to a growing faith? It's Bible class at church. Come to Bible class on Sunday mornings and Wednesday nights. You'll intentionally spend more time in God's Word, which will help. You'll also be enjoying other Christians' fellowship, which will help. And if you make Bible class a habit, you'll almost certainly be here for worship, which will also help you grow! It's not a shortcut to spiritual growth but will help you grow faster! Be here for Bible class every week and make this the year you supercharge your development as a Christian!
