THE SPOTLIGHT

There are so many opportunities for us to grow in 2024! It's the perfect time to be a member of the church here and get plugged in to be part of the work we're doing! All of our numbers are increasing. Our budget meeting this afternoon will outline the plans the elders have set for this year. We plan to study God's Word together more this year - from our children's ministry all the way up to our adult classes. Make this the year that you prioritize your spiritual life and the spiritual growth of your family!

Here's just a few of the big things coming up soon. The Children's Ministry begins a new passport program this year. Every month your child will have a memory verse and when they learn it, they will get a stamp on their Bible verse passport. I've seen the list of verses they are going to memorize and it would do us ALL some good to learn those verses! Our first **Friends and Family Day** is coming up in 5 weeks. Those are always a good time to invite guests to worship with us, so start making plans now to bring someone with you to church that day. Also in February, we will honor those who teach in our Bible School program. It's been a tough few years for most churches in their education programs and we've felt it, too. I'm glad we can honor those teachers who have helped us get through the lean years and it's great to see our numbers increasing in Bible School again! It's a great time at a great place to be serving the Lord! Let's follow Jesus this year and keep in step with the Spirit and invite as many others as we can to join us! - David
