THE SPOTLIGHT

YOUR PLACE FOR WEEKLY NEWS & UPDATES

BY **DAVID SALISBURY**, Minister

We celebrated with Stephen and Marlene Stilwell last week even as we were saddened that Steve resigned from the eldership here. We wish them all the best as they enjoy their retirement and know that they will continue to be a regular presence here and involved in many of the works we do. Steve has served as an elder here since 2006 when the Southside congregation merged with this one. Stephen and Marlene have both been teachers here in many different classes and they are always ready to help with any project we do. They are truly workers for the Lord and we celebrate their service and love for the Lord.

Many of you have noticed the new door wraps on the doors under the canopy and the ones facing Green Street. While this is primarily a security upgrade, we're also pleased with the image it presents to our community. We love our community and want to be a source of hope, peace, and strength here. As people see us living the Christian life, it should be a testimony to the impact our faith makes on everything we do and say. If the gospel is good news in the life of an individual Christian (and it is!), then gospel in our lives ought to be good news for everyone around us, too! As we seek to be the presence of Christ in our community, we hope the messages we share are an inspiration to everyone.

Our elders continue to be aware of the impact the pandemic is having on our community. Please continue to pray for their wisdom in the decisions they must make. We want as many people as possible to be able to meet in person as often as possible, but we also want to be wise in how we deal with this situation. If you cannot meet with us in person, please be sure to join us online for worship. And don't forget our classes are online for everyone, too! May God continue to bless us as we serve Him everyday and grow in our faith!
