Looking ahead to a New Year

THE SPOTLIGHT

YOUR PLACE FOR WEEKLY NEWS & UPDATES

BY DAVID SALISBURY, Minister

If the Lord tarries, then we will turn the calendar to a new year at the end of this week. It's safe to say that no one knew the crazy twists and turns this year would hold for us. In many ways, this year was much harder than we expected, but we also learned a lot this year! And in spite of so many things changing, we have continued to minister to others with the gospel. We have worshiped as the church gathered together and as the church gathered virtually. We've also come together in a combination of physical and digital presence. Through it all, we have felt the presence of the Lord and been the presence of the Lord in our community.

This year we welcomed **Josh and Emilie Terry** to our church family. While the pandemic has kept them from doing everything they wanted to do with our youth group, it's easy to see that they are a great fit for us! I'm excited to see that the new year will bring for our youth program.

As you look toward the new year, it's time to begin thinking about what we'll do to come back from all of this. We may have gotten "out of shape" spiritually with all this time at home. Start thinking about how you can come back stronger and better in 2021 and what we can do as a church family to take the lessons we have learned this year and use them to help us grow in the future. Let's step forward into the new year with a renewed sense of purpose and a dedication to grow in the Lord this year! We can do it together!
