# THE SPOTLIGHT

## YOUR PLACE FOR WEEKLY NEWS & UPDATES

BY DAVID SALISBURY, Minister

Sometimes you just need a "pick me up" moment. God knows what we need better than we do and He provides for all our needs. His faithfulness to us is a beautiful reminder of His love and also a great motivator for us to be faithful every day.

This week I got to see a video of a man I once mentored. He was leading singing and praying as part of the Sunday worship service. When I met him he was virtually out of the church and very angry. We talked and studied and I could see his heart begin to soften and grow. Many people had an influence on his life to bring him to the place where he is a recognized church leader, but I'm grateful God allowed me to play a part. I'm even more grateful that I got to see the video of him singing and praying this week. It was a reminder of God's incredible power and His faithfulness. My friend would tell you that he left the Lord, but the Lord never left him! God is big enough to handle our anger, our disappointment and even our rebellion. It hurts His heart when we disobey, but He never stops waiting for us to come back home. We, as the people of that God, must also never give up hope that wayward sheep will find their way back home. It is vital that we be a place of hope and homecoming for those coming to the Lord or coming back to Him. May we never fail to be moved by the faithful love of our Heavenly Father! May we always remember the gates of heaven and the doors of the church are never closed. As long as there is life, there is hope! God doesn't give up on people and we won't either!

- David
