# THE SPOTLIGHT

## YOUR PLACE FOR WEEKLY NEWS & UPDATES

We're finishing up summer with a bang! Thanks so much to **Trey and Lea Morgan** for their marriage seminar yesterday! We are excited that Trey will be teaching and preaching this morning, too. I have heard from so many of my ministry friends about how amazing this **Stronger Marriage** workshop is and we are blessed to be able to have them here. This Wednesday, we will finish up our summer series with **Lucas Dial** from the Calvert City congregation. Lucas and I got to be friends at camp this year as he was the activities director for my week of camp. Lucas brings a creative energy to every thing he does and I know he will be a blessing to us this Wednesday!

Next Sunday, everything will look a little different as we get ready to kickoff **Vacation Bible School** on Sunday night. I am so excited to have VBS back again! Instead of our normal evening service, we will head right into our VBS time. The kids will go to classes after a short assembly in the auditorium, but there will be no teen or adult classes since so many of you will be helping out with the kids! VBS is a great way to show our youngest members that they are an important part of our church family. It also shows them that we believe the stories in the Bible are important, life changing, and worth knowing. Thank you to EVERYONE who has worked so hard to make VBS a reality this year. It takes all of us to make this work well!

I'm grateful for every opportunity we get to share the gospel in every way possible. I love the way our church family works together to be a city set on a hill that shines the light of Jesus in our community every chance we get! *- David*
